Dear Oak Grove Band Family,

Welcome back! We are so excited that you and your student(s) are with us this year, and we are looking forward to a year full of excitement and musical excellence!

This Handbook has very important information that will help us start the year of right and will apply for the duration of the school year. Every student and parent of the Oak Grove Band Program is responsible for reading this hand book and knowing the information found within. It is also available virtually. You can find this handbook on our website at [www.oakgrovebands.org](http://www.oakgrovebands.org) and your student's band Google Classroom.

Additionally, on your child's Google Classroom there will be a Google Form to fill out that will register your email for our band database, CHARMS. **This must be submitted online no later than Friday, August 4th, 2023.** Please take the time to complete this with your (the parent/guardian's) email.

Thank you so much for your attention to all of this very important information. We suggest keeping it on file with you in a safe place for future reference. Please feel free to contact any of the directors throughout the year if you have any questions or concerns. We do ask that you direct your emails to the band director that is over your child's specific instrument class.

*\*Because we are split between two campuses, email is the best form of communication. Emails are checked multiple times a day and will be responded to by the next school day.*

# **GRADING POLICY**

Students in band should expect to have assignments and grades! We don't get an "A" for just showing up in the Oak Grove Band Program. Students are expected to prepare their assignments (that means regular & frequent practice time) and complete those assignments on time. We recommend that students average ***five individual, at-home practice sessions*** a week of ***at least 20 minutes each***.

## **Major Tests, Minor Assignments, & Nine Weeks Tests**

Students will also be given frequent daily or weekly assignments that will count as minor or major grades depending on the assignment. These will be communicated regularly by your child's specific director. Some certain assignments will be designated as "Pass-Off" exercises. These require the student to demonstrate MASTERY of a certain concept or skill-set before that exercise is considered "Passed-Off."

Nine Weeks Tests will evaluate the skills and concepts learned and developed within that "term." These tests are important for the directors to assess each students progress as well as their needs! There may be no exemptions from these tests.

## **Performances**

All Students must attend all performances that are marked on the calendar as "Required Events." Each Performance is considered a major test grade, like a group project. Additionally, absences and tardies from required after-school events could also negatively affect a student's eligibility for membership in the band program. ***See the OGMS Band Calendar included in this handbook for specific dates and times.*** More details will be sent home prior to each event.

## **Daily Participation & Materials**

Class requirements in band include students' full participation in all class activities, which also requires that they have all required materials (see below). Full participation also implies being fully prepared for class before the director begins each day's lesson, undivided attention to the director when they are speaking, and each student's best effort in executing what is asked of them.

# **SUPPLIES NEEDED FOR BAND**

In order to ensure the best chances of success in band class, all students are required to have the following everyday:

- A quality instrument in playing condition.
  - ALWAYS bring broken instruments to your child's band director before going to the repair shop!
- The provided band binder and sheet protectors with all materials
- Pencil
- Name-tag on your instrument case
- There are additional materials that may be required based on your child's instrument (i.e: reeds, valve oil, BERPs, etc). Those necessary items will be specified by your child's director.

***Students meeting the simple expectations outlined above for practice, preparedness, and behavior are virtually guaranteed to experience some level of success, while students failing to meet these expectations can expect to experience struggle in the class as well as a reflection in their class grade. Parents, we implore you to help us encourage your students to follow these guidelines to the absolute best of their ability!***

## **PERFORMANCE ATTIRE\***

For all performance events, the 6th Grade Band will wear the current year band shirt that all students get, khaki pants, and closed-toe shoes (slides and flip flops are not acceptable). Hair must be a natural color for performances, and approved hairstyles for events are at the discretion of the director. All piercing and jewelry should be simple, light, and modest in nature so as not to pose a distraction.

*\*Students without proper attire can be sent home from the performance, which will reflect in their grade accordingly\**

## **CLEAR BAG POLICY** (new this year)

In the interest of public safety, Lamar County School District is implementing new procedures regulating the size and type of bag that may be carried into all school activities. Guests may carry the following style and size bag, package, or container into the venue:

- Bags that are clear plastic, vinyl, or PVC and do not exceed 12" x 6" x 12"
- One-gallon clear plastic freezer bag (Ziploc or similar).
- Small clutch bags, not exceeding 6.5" x 4.5" with or without a handle or strap can be taken into the venue with one of the clear plastic bags.

- Purses larger than a clutch bag
- Briefcases
